

...accepted.  
...been  
...of affairs,  
...had the esteem  
...Kentucky, who will  
...dead hereafter. In-  
...delivering a patriotic and an  
...intelligent address, we find him de-  
...defending the infamous and odious Goebel  
...election law, which no true American  
...can conscientiously do. We find  
...the following false statement accredited  
...him in the *Courier-Journal*:  
"Pretending to believe the Goebel law was de-  
...signed to accomplish their defeat, without point-  
...ing to a single provision of that law that furni-  
...shed a shadow of excuse for such conduct, they in-  
...dulged in the most intemperate and extravagant  
...statements."  
First we answer this thus:  
"THE DEMOCRATIC STATE TICKET JUST  
...NOMINATED WILL CERTAINLY BE ELECTED.  
...UNDER THE OPERATION OF THE GOEBEL  
...LAW THE RESULT IS NOT LEFT TO  
...CHANCE.—Henry Watterson in a letter to the  
...President of the L. & N. R. Co., June 30, 1899."  
The Goebel law has been analyzed  
...and diagnosed in detail. Every pos-  
...sible feature of frauds has been dis-  
...cussed, and yet Capt. Ellis fires this  
...statement of falsehood into an unin-  
...formed people, for their minds to feed  
...upon. No man in all Kentucky is so  
...ignorant of the real state of affairs  
...that have existed since last June to  
...this good hour to justify the above.  
If such should be, then by all means  
...he should inform himself before going  
...abroad. Kentucky does not appre-  
...ciate such utterances from the lips of  
...any man much less from her own sons.  
The central triumvirate, created by  
...this partisan law, was denounced from  
...one end of the State to the other, the  
...power given it to appoint county  
...boards and remove them at any time  
...without cause, was graphically shown  
...and bitterly objected to. Watterson  
...described the law as an act to deprive  
...the State of a republican form of gov-  
...ernment, and yet this distinguished  
...gentleman boldly asserts that it is a  
...fair law. Continuing, he said:  
"They sought to convince the public some great  
...fraud was about to be committed. What fraud  
...could be committed under that law, fairly admin-  
...istered, or how it was to be committed, no well  
...advised citizen of Kentucky ever knew."  
The election was held, and a more orderly or  
...quiet election than that of November, 1898, was  
...ever held in the State.  
"If there was a single disturbance, or instance  
...of violence, except the disturbance created by  
...the violence exercised by the Republican party  
...and those who acted with it in the exercise of il-  
...legal practices on the day of the election by mis-  
...leading deputy marshals and parading soldiers at the  
...polls, the fact has not been recorded."  
We have contended all the while  
...that this monstrous measure would be  
...all right in the hands of angels, but  
...angels are never found in politics.  
Those well advised citizens of Ken-  
...tucky knew, at least they were sag-  
...acious, that the central triumvirate  
...would attempt to steal the election and  
...rob freemen of a voice in their gov-  
...ernment. Every intelligent man  
...knows, now that this has been done.  
It does not seem real that these quo-  
...tations came from a sane man, but they  
...did. But this is not all; the further  
...a reckless politician goes the more  
...vindicative he grows; the more absurd  
...his statements, the more false and frivo-  
...lous his arguments. Continuing, we find this:  
"More than 10,000 of the registered voters of the  
...city did not go to the polls; they were deterred  
...and intimidated by the presence of the military  
...force." The result was that the Republicans had  
...a majority on the face of the returns of over 3,000 in  
...the city of Louisville, when if the people had been  
...left to the free and uninterfered exercise of their  
...electoral franchise in that city, the Democratic  
...ticket would have carried it by an overwhelming  
...majority, as it did in the preceding year."  
In the memorable mock contest at  
...Frankfort the defeated Goebelites  
...failed to prove that a single man was  
...deterred from voting. It is known to  
...every informed man that there was  
...not a soldier on the streets of Louis-  
...ville in uniform on the day of the elec-  
...tion until 7 o'clock and then they  
...were ordered out by Bradley at the  
...request of Judge Toney, a Goebel  
...Democrat. The above charge is a  
...falsehood out of whole cloth and there  
...can be no apology for it. That the  
...soldiers were ordered to the armory  
...in Louisville at 6 o'clock Tuesday  
...morning, no one disputes, but this was  
...by the request of the best citizens of  
...the city. Bloodshed was expected,  
...because the people were intensely  
...worked up over the situation. The  
...revolutionist mayor had sworn in 300  
...extra police, contrary to the city's  
...charter, for no other purpose than in-  
...timidation, the people thought. If  
...any Goebelite was so timid as to allow  
...the State militia's presence in the city,  
...commanded by Gov. Bradley, frighten-  
...ing him from the polls, then he should  
...by all means have staid in his berth.  
A Serious Mistake.  
The Democrats of the House have  
...voted down a bill repealing the Goebel  
...election law, some of them ex-  
...plaining that, while they may be in  
...favor of amending it, they are opposed  
...to its outright repeal and a return  
...to the old law.  
Very well. But what has been done  
...to amend the Goebel law? The Sen-  
...ate has passed the Johnson Bill, which  
...does not touch the evils of the Goebel  
...law. So far as the present session of  
...the Legislature is concerned, the  
...Democrats have evidently made up  
...their minds to let the Goebel law  
...alone.  
This is a very serious mistake. The  
...Democrats may let the Goebel law  
...alone, but the Goebel law will not let  
...them alone. It was all they could do  
...to carry the State once under the  
...handicap of that law; how do they ex-  
...pect to carry it a second time, when  
...the opposition to the law increases  
...rather than diminishes?  
Mark this prediction: If the election  
...next fall is held under the Goebel  
...election law, and if the vote of Ken-  
...tucky for the election of a Republican  
...president, Kentucky's vote will be  
...counted for the Republicans, it mat-  
...ters not what the returns may show.  
Nothing in the future is surer than  
...this.—Yesterday's *Courier-Journal*.

It is not necessary that we have peace in politics. Now, gentlemen, you can have all the peace you desire if you want it. No matter what the sun is responsible for, it is not your fault. You were beaten at your own game, when you set up a mighty howl about military intimidation and tie-ballots, both charges were based on nothing but your own vanity. ## "Actions of the Just Smell Sweet."

The fragrance of life is vigor and strength, neither of which can be found in a person whose blood is impure, and whose every breath speaks of internal troubles. Hood's Sarsaparilla purifies, vitalizes and enriches the blood, gives a good appetite and makes the weak strong.

Run Down—"My husband was run down in health and all tired out. Those excellent medicines, Hood's Pills and Sarsaparilla, built him up again." Mrs. H. L. Moore, Towanda, Pa.

CARSON & CO.

It is reported that Mr. C. M. Taylor, Beaver Dam, has smallpox, and a number of others have been exposed to the disease. We hope, however, that it is a false rumor, nevertheless it will be a wise plan to cautiously guard the case.

On the 5th instant, Mrs. Hiram Babbitt, of the Magan neighborhood, presented her husband a fine Republican boy baby, weighing 10 pounds. Dr. L. Westerfield was the attending physician.

The Christian people of Union Grove Church have secured the services of Rev. Alonzo Kelly and will have services every second Saturday and Sunday in each month. The church has recently been established and is thoroughly alive.

Mrs. Kate Maples, widow of Jackson Maples, died at her home near town Monday night. She had been afflicted for a long while. Old age together with a complication of diseases caused her death. Her remains were interred in the family burying ground Tuesday.

The Cumberland telephone has reached Hartford and soon all points in the county will be reached by the exchange. This, it will be remembered, is for no other purpose but to route the local telephone company. Citizens will you permit it? Remember it is with you.

In a short time blanks for taking the census of Common School Districts will be sent out to the chairman of the several districts in Ohio county. Trustees should be on the lookout. As soon as the blanks come to the County Superintendent they will be sent out forthwith.

Messrs. E. E. Rogers and S. L. Stevens, of Cromwell, have closed a contract with the Rough River Telephone Company to build a line from Beaver Dam to Cromwell. They commenced work yesterday and Cromwell will soon be in touch with this section of the county.

Mr. W. L. Cooper has been granted a pension. He was one of those noble heroes that fell pierced by a Mauer bullet in the charge up San Juan Hill. Certainly he deserves all that Uncle Sam may do for him, and he will certainly care for him in a manner befitting one who passed "per aspera ad astra."

The Rev. A. C. Caperton, of Louisville, will preach at the Baptist church Sunday morning and evening at the regular service hours. Dr. Caperton is one of the ablest divines of the South and should have a crowded house. He has for several years the editor of the Western Recorder. This position should recommend him to every home in Hartford.

A story has been reported in some sections of the county that chairmen of school districts are being fined for neglect of duty in some way. This report is not correct. But, all school district Treasurers who failed, in making bond, to have same stamped as required by the federal law have had to pay a penalty of \$10. Treasurer's bonds are approved by the County Judge or Justice of the Peace.

Malissa Baize was tried for idleness in court yesterday before Judge Owen and was adjudged an idiot. The court appointed R. C. James as a committee to take charge of the unfortunate one. She is eighteen years old and an idiot from birth. Her father and mother are both dead.

Fourth day—The greater number of the cases set for yesterday were continued, fled away or dismissed. The court is moving along slowly with the business. The greatest trouble seems to lie with the witnesses. If a few of the delinquents were heavily fined the court would have less trouble and the business would advance more speedily.

The following gentlemen were examined for an increase in their pensions last Wednesday: Wes Foreman, colored, Hartford; Dr. L. T. Cox, Owensboro; Robert Simpson, White Run; John Baker, Olaton; A. W. Davidson, Beaver Dam; John Blair, Buford, and a Mr. Waltrip, Horse Branch. The Board of Examiners is composed of Drs. Wedding, Taylor and Smith.

Mr. Samuel J. Richardson died at his home near Buford Sunday day. He had been afflicted about a week with la grippe, but was not thought to be dangerous until about Tuesday, when he began growing worse and never more regained consciousness. Rev. J. N. Jarnagin conducted funeral exercises, after which the remains were interred in Mt. Carmel cemetery. Mr. Richardson was sixty-five years old, and was a son-in-law of Judge Newton. A wife and nine children survive him. Two children are married, one is of age, and the six remaining are small.

The following gentlemen have paid up their dues to THE REPUBLICAN since our last issue: J. S. Lewis, Earley; W. E. Bennett, Manila, P. I.; D. J. Kiser, Oakland City, Ind.; J. Shultz, Narrows; E. G. Stewart, Bada; W. J. McIntire, Ceralvo; W. P. Rensder, Point Pleasant; Jake Shown, Bada; H. W. Waddle, Hartford; G. W. Roney, Centertown; J. Decker, Hartford; R. L. Tweddell, Hartford; J. T. Rowe, Centertown; S. O. Fogle, Prentiss; S. M. Wilson, Rosine; J. B. Dodson, Hartford; W. T. Sultzer, Rensder; G. W. Wedding, Adaburg; T. C. Stratton, Hartford; and Miss Sophia Davidson, Nashville, Tennessee.

Mr. Jesse Tanner, of the Shultz-town neighborhood, died on the 26th ultimo. His illness was brief but attended with the most intense pain. He was stricken down February 10 with what appeared to be, so pronounced by physicians, appendicitis. Three physicians were summoned and an operation performed which resulted not in the discovery of a diseased appendix, but in the location of an unnatural growth on the small intestine. This growth, which was ulcerated, encircled the intestine and stopped the passage of any substance through the system. It was an inch or more in diameter. Mr. Tanner was a farmer and an excellent man. He was a son of Mr. J. E. Tanner, who died about thirty years ago. He leaves a wife and several children.

The Teachers' Association, which was to have met at McHenry on the third Saturday in February, but failed to meet on the account of the very bad roads and cold weather, has yet a standing invitation from the good citizens of McHenry to meet with them the third Saturday in March. Accordingly the committee has determined that the next meeting shall be held at McHenry, on Saturday, March 17. It is earnestly hoped that all teachers who possibly can will attend the McHenry session of the association. There is no valid reason that we should not increase our interest in the cause and in our work with the coming of the new year. The roads will soon be good and then no teacher in the county will have a just excuse for absence. Let every teacher lend his might and presence.

Sentenced For Life.

George Estes, colored, was given a life sentence in court here Tuesday, for breaking into a box car of the I. C. R. R. Co., at Horse Branch, last fall and stealing some clothing. Mr. J. A. Taylor, special agent for the I. C. R. R., took the case in hand, and in a very short time had the offender in his possession. It seems foolish that men prone to steal will elect to rob a railroad of any of its possessions, when such sharpers are to be put after them, for they are invariably caught sooner or later. We are informed that this was the first time in the history of the road that a man was given a life sentence for committing such an offense, but this was his third sentence and the law had a dead cinch on him. Mr. S. P. Roby was appointed by Judge Owen to defend him, who ably defended his client, but his efforts were in vain. Commonwealth's Attorney J. E. Rowe was assisted by Mr. H. P. Taylor, counsel for the I. C. R. This indeed should be a warning to such characters.

Farmers Plead For Better Roads.

The grand jurors, petit jurors, and others attending court, have expressed themselves very favorably on the new subject of road working by taxation. The present system is known to every one to be a failure, especially for the present time. The roads all over the county are in a very bad condition, and those near Hartford are almost impassable. The people are certainly prepared for a change and why not have it? The demand for good roads grows each year as the great resources of the country are developed. The farmer, by the very nature of his business, is compelled to do it, and you will find health in amount of hauling and its use.
